

A TAPCO PRO CUT-OFF

Makes factory quality cuts on your PRO-Series brake. Eliminates the use of dangerous utility knives and open blades. Includes molded storage case. (Brake not included).

10379

B TAPCO BRAKE BUDDY®

Roll forming tool for use with any portable brake. Features a quick twist handle for easy adjustment. Quickly and easily forms brick mold trim and decorative ribs. Rib rollers and brickmold rollers included in molded storage case.

11676

C TAPCO SIDE-WINDER "COIL-HOLDER"

Keeps the coil at your side where you need it. Allows you to feed up to 24" x 100' coil into the jaws of your PRO brake (not for 12' 6" brake). Does not include brake.

10776

D TAPCO PROTRAX® MULTI-ANGLE SAW TABLE

The saw table designed for professional siding mechanics. Cuts multiple angles from 3/12 to 12/12. 13" deck width. Accommodates almost any 7-1/4" circular saw. Captured saw track provides secure and safe operation. Fits on Snap-Stand (sold separately).

11850

E TAPCO PRO SNAP STAND®

Portable brakes and saw tables easily snap and lock in place. Sets up in seconds. Legs adjust independently to level on uneven ground. Folds flat for easy storage. (Shown with optional wheel kit, not included).

11720

F TAPCO WHEEL KIT

Allows for easy transport of Snap Stand. Easy to attach. 10" pneumatic tires, steel hub. 2 wheels/kit.

11989

G TAPCO ADJUSTABLE MAX CUT-OFF

Makes factory quality cuts in commercial sheet metals right on your MAX-I-MUM XL or MX Series brake. Adjustment allows cuts on a large range of materials. Heavy-duty roller shear will cut up to 22 gauge galvanized steel.

12261

H MALCO 48" MINI BRAKE

Make big or small fabrications anywhere on the job. Lightweight and compact. Produces tightly formed bends up to 135 degrees in sheet metals, aluminum, copper and 22-gauge galvanized steel. Accommodates sheet metal stock up to 4 ft. wide in any length (does not include leg kit shown).

MB48
